

Attitude (Live At Ozzfest) [Bonus Track]

Sepultura

One week of struggling
On the real world is
So you can see! Feel your soul and,
Shape your mind to warfare
It's all for real Live your life
Not the way they taught you
Do what you feel! Survive the jungle
Give me blood
Give me pain
These scars won't heal What were you thinking
What a wonderful world!
You're full of shit Leave it behind
They don't care if you cry
All is left is pain Can you take it? [Repeat: x4] The only way
To get away
Kill your pride
Attitude I won't take it [Repeat: x4] So in the end
I want to see some respect (I said)
You better show some respect (I said)
Attitude and respect
