

# You Brought a New Kind of Love to Me

Frank Sinatra

If the nightingales could sing like you  
They'd sing much sweeter than they do  
For you brought a new kind of love to me  
And if the sandman brought me dreams of you  
I'd want to sleep my whole life through  
You brought a new love to me  
I know that I'm the slave, you're the queen  
Still you can understand that underneath it all  
You're a maid and I am only a man  
I would work and slave the whole day through  
If I could hurry home to you  
You brought a new kind of love to me  
I'm hip that I'm the slave, you're the queen  
Still you might understand that underneath it all  
You're a maid and I am only a man  
I would work and slave the whole life through  
If I could hurry home to you  
You brought a new kind of love to me
