

Feel So Sad (Glides and Chimes)

Spiritualized

Sweet Lord, I know
I hate this lonely life so
Lord, I know
Time goes slow I feel so alone
Sweet Lord
Sweet Lord, is this my fate
To live my life in this state? Lord, I pray
I long for a change
But it still remains
Sweet Lord Sweet Lord, it's a sin
To live this life sufferin'
I feel so sad
I feel so sad I feel so sad
I feel so sad
I feel so sad
I feel so sad I feel so sad
I feel so sad
I feel so sad
Sweet Lord
