

Puzzles

Unknown Mortal Orchestra

America, open up your door
Is it right to always fight against the other?
What is a "person of color?"
Is it wrong to have zone that isn't monochrome? Einstein's brain is kept at Princeton University
Please don't ask it questions I don't want to solve your puzzles anymore
I don't want to solve your puzzles anymore
I don't want to solve your puzzles anymore
I don't want to solve your puzzles anymore America, open up your door
Is it right to always fight against the other?
