The Seatbelts

This happened once before

When I came to your door

No reply

They said it wasn't you

But I saw you peep through

Your window

I saw the light

I saw the light

I know that you saw me

'Cause I looked up to see

Your face

I tried to telephone

They said you were not home

That's a lie

'Cause I know where you've been

And I saw you walk in

Your door

I nearly died

I nearly died

'Cause you walked hand in hand

With another man

In my place

If I were you, I'd realize that I

Love you more than any other guy

And I'll forgive the lies that I

Heard before, when you gave me no reply

I tried to telephone

They said you were not home

That's a lie

'Cause I know where you've been

And I saw you walk in

Your door

I nearly died

I nearly died

'Cause you walked hand in hand

With another man

In my place
