Miley

SWMRS

[Verse 1]
Miley is a punk rock queen
She's Sisyphus even in a corporate scene
And they are calling her dumb slut
She keeps burnin' blunts, fuck
Miley is a punk rock queen[Verse 2]
My mother thinks that you're disturbed
My favorite magazine
Just published all your questionable words
They all criticize your latest
But I think you're the greatest[Pre-Chorus]
Cause Miley you're a punk rock queen
Yeah Miley you're a punk rock queen[Chorus]
You bring the bleach, I'll bring chlorine
We can dye our hair a color
That nobody ever seen
You're national threat and you're messing with my head
Cause Miley you're a punk rock queen
Yeah Miley you're a punk rock queen[Verse 3]
I used to watch you on T.V
Now I see you on the web
In artistic pornography (Oh shit!)
You push the envelope on all sides
I can't get enough, alright
Miley you're a punk rock queen[Verse 4]
Miley what's your next move gonna be?
Miley something unexpected
That nobody will foresee
Know that even if it's punk rock
Or if it's getting drunk rock[Pre-Chorus]
Miley you're a punk rock queen
Yeah Miley you're a punk rock queen[Chorus]
You bring the bleach, I'll bring chlorine
We can dye our hair a color
That nobody ever seen
You're national threat and you're messing with my head
Cause Miley you're a punk rock queen
Yeah Miley you're so punk rock[Bridge]
Dressed in all black

You revel in your ego
No looking back
You rebel and we need you
Dressed in all black
You revel in your ego
No looking back
You rebel and we need you
We need you
We need you
We need you...[Chorus]
You bring the bleach, I'll bring chlorine
We can dye our hair a color
That nobody ever seen
You're national threat and you're messing with my head
Cause Miley you're a punk rock queen
Yeah Miley you're a punk rock queen[Outro]
Yeah Miley you're a punk rock
Miley you're a punk rock
Miley you're a punk rock queen
