

# Man on Fire

Andy Gibb

I'm a man on fire  
It's a burning thing  
It'll burn on forever  
If you feed me baby  
I'm a man on fire  
An eternal flame  
It'll burn on forever

If you feed me baby , ohGotta be a place to go in the midnight hour  
Heart of a women and just a little bit of pulling power  
The feelings got me  
I don't know what it means  
I know it must be wrong  
But when you love somebody you dream  
And I dream  
I save the love down deep inside me  
for the moment when you come  
And you're there , and you're gone  
And I'm alive for you  
And my love keeps hanging onThere is no life  
No reason to go on believing in the stronger love  
There is no unifying , if I don't hear you crying  
I'm yours , you're mine , no power in the world  
Together we are strong in love  
And when your storm is over, I'll show how warm my love can be  
And me , I'm a man on fireI'm a man on fire  
It's a burning thing  
It'll burn on forever  
If you feed me baby  
I'm a man on fire  
An eternal flame  
It'll burn on forever

If you feed me baby , ohReady when the lightning strikes and he deed is done  
I'm not a beginner  
But I'm a sinner when the heat is on  
Nothing gonna stop me , got me all that you need  
Woman when you need somebody  
A woman with a face and a body , you dream  
And I dreamI save the love down deep inside me  
For the moment when you come

And you're there and you're gone  
And I'm alive for you  
And my love keeps hanging on  
There is no life  
No reason to go on believing in the stronger love  
There is no unifying  
If I don't hear you crying  
I'm yours, you're mine , no power in the world  
Together we are strong enough  
And when your storm is over  
I'll show how warm my love can be  
And me , I'm a man on fire  
I'm a man on fire  
It's a burning thing  
It'll burn on forever  
If you feed me baby  
I'm a man on fire  
An eternal flame, oh baby  
Don't you know that I'm burning up  
(it's a burning thing)  
In the flame of your love  
Don't you know that I'm burning up  
(It's a burning thing)  
In the flame of your love  
Don't you know that I'm burning up  
(it's a burning thing)  
Don't you know that I'm burning up  
(it's a burning thing)
