A Forest

Nouvelle Vague

Come closer and see See into the trees Find the girl If you canCome closer and see See into the dark Just follow your eyes Just follow your eyesI hear her voice Calling my name The sound is deep In the darkI hear her voice And start to run Into the trees Into the treesSuddenly I stop But I know it's too late I'm lost in a forest All aloneThe girl was never there It's always the same I'm running towards nothing Again and again
