Tasty Fish

The Other Two

One day I'll go out walking; I don't know where
(could be anywhere)
Send a letter cause I'm sick of talking
(send my love, you know I won't be there)
It's gonna last forever, and there's nothing I can do
(nothing I can do)
Got yourself together, that what it comes back to
(coming back to you)
No matter what you say, it doesn't matter what you do
(it all comes back to)
No matter what you say, no matter what I do
(it all comes back to you)
One day you'll see it my way; I don't know when
(could be anywhere)
Another wreck on life's long highway
(another trip, you know we'll have to share)
It's gonna last forever, and there's nothing I can do
(nothing I can do)
Got yourself together, that what it comes back to
(coming back to you)
Nothing I can do without it, your love must be true
(it all comes back to)
Nothing I can say about it, keeps coming back to you
(it all comes back to you)
Nothing I can do without it, your love must be true
Nothing I can say about it, keeps coming back to you
(it all comes back to you)
No matter what you say, it doesn't matter what you do
(it all comes back to)
No matter what you say, no matter what I do
(it all comes back to you)
No matter what you say, it doesn't matter what you do
(it all comes back to)
No matter what you say, no matter what I do
(it all comes back to you
