

Trippin On You (Alex K Mix)

Cahill

I dont know what has changed, Is it me or you?
I dont know what has changed, Is it me or you?
 But its over, now, Trippin on you
Yeah Yeah, Yeah, Yeah, YeahSome time some day, I found a better way
 He didnt know how to love me babe, so I'm going my way
 All the fussing and fighting, God it made me change
But you've made me stronger fight another dayAnd its over, now, trippin on you
 Yeah yeah, Yeah, Yeah, Yeah
 And its over, now, trippin on you
Yeah yeah, Yeah, YeahI don't know what has changed, is it me or you?
 Is it you or me to blame? I don't have a clue
 But its over, now, Trippin on you
Yeah Yeah, Yeah, Yeah, YeahGonna take my time, Gonna slow down my stride
 That is all you said, to keep me behind, yeah
 Now you realized that I don't know what you say
 Now I can't go on without you in my wayBut its over, now, Trippin on you
Yeah Yeah, Yeah, YeahI dont know what has changed, Is it me or you?
 I dont know what has changed, Is it me or you?
 But its over, now, Trippin on you
Yeah Yeah, Yeah, YeahI dont know what has changed, Is it me or you?
 Is it you or me to blame? I don't have a clue
 But its over, now, Trippin on you
Yeah Yeah, Yeah, YeahI dont know what has changed, is it me or you?
 Is it you or me to blame? I don't have a clue
 But its over, now, Trippin on you
Yeah Yeah, Yeah, YeahTrippin on you
