Yeezy

Young Dolph

I picked lil' momma up and put some weed in the air
Now I'm smashin' from the back and pull her weave out her hair
I had her on the bed from the couch to the trap
Then I had to tell her 'bye, bitch I got dope to go sell'
Bitches love me but they know I'm a player
Every day I take chances and say my prayers
I never had an advance check over here
These rocks on me, nigga ice water clear
She too thick I told lil' momma to come over here
She so thick she make a thong disappear
I put karats on my wrist, naked ears
The way she suck it I said 'girl, you can't be serious'
She the best at it, she a sex addict
MAC-11's, AK's and TEC's in the addict
I got bad habits that's what got me livin' lavish
So I can't complain uh bitch you know my name
All she wanna do is ride with a nigga
Pour my drank up and get high with nigga
She say she gon' ride or die with a nigga
I put ice on her and let her shine with a nigga
I pulled up on my old hoe flexin' with my new bitch
I pulled up on my old hoe flexin' with my new bitch
I pulled up on my old hoe flexin' with my new bitch
I pulled up on my old hoe flexin' with my new bitchPulled up on my old hoe flexin' with my new boo
Dues, dues in the club in my Gucci boot
Gettin' a back massage while I'm eatin' fruit
I just had a menage with my favourite two
I pull these rappers cards for fun, that's what I do
I'm in a mansion with my son playin' peek-a-boo
Boy you don't take care of your kids so how I real is you
But you out here payin' these hoes, boy you pitiful
My old bitch jealous on my new thang
I just did a show and went bought a new chain
I just threw your advance up at Blue Flame
She a bitch but she lonely cause you too lame
All she wanna do is ride with a nigga
Pour my drank up and get high with nigga
She say she gon' ride or die with a nigga
I put ice on her and let her shine with a nigga

I pulled up on my old hoe flexin' with my new bitch
I pulled up on my old hoe flexin' with my new bitch
I pulled up on my old hoe flexin' with my new bitch
I pulled up on my old hoe flexin' with my new bitch
