High on Life

Def Tech

Livin' the island life you
learn to give
From hand to hand it's
the prerogative
Amidst the positive
ways of my paradise Floatin'
see feelin' nice it's a
way to entice Anyone to fun,
don't even think
twice Just pack some bags,
away you go The natural
flow pacific island rainbow

Tokyo to bungalow
with ocean barbeque view
With honeydew on your lip,
the only life to pursue
It's how we do,
cruzin' 50ft yachts The crystal
water trot, my island home
hot spot So what you
think of our affair
your home won't care
Take our dare no despair
and come to repair Your soul,
under control the Jawaii an way
Live today, your way
it's time to play Let's surf

We jammin' on a rock on the
Ring of Fire
Dancin'all around,the sound will
take you higher To a place you
never, ever been before
Liftin' up your spirit shiftin'
you at the core
Come explore our island world
and see how it's done We
livin' in the sun, havin'
fun, the journey's begun
One time, sunshine,
come find, you'll see
The island spirits in you,
I know you'll agree

The Nesian way's the only
solid way to
face your day Lookin'
over the ocean, settin'

pace with the waves, I say
So many people come to
leave it all
Thousands of mile, nowhere,
Jawaii has it all
Rain drains, sun comes,
it's a cycle of life
Pacific island, right,
open heart, open sight Come see,
believe, mountain ocean harmony
Flowin' together,forever
in to the sky we're free
High on life, island time,
lion vibe, iron life
High on life, island time,
lion vibe, iron lifeHigh on life, island time,
lion vibe, iron life
High on life, island time,
iron life
High on life, island time,
lion vibe, iron life
High on life, island time,
iron life
