

Irish

Darkbuster

You take the high road, And I'll take the low road
And I'll be in Ireland before yeHey!
And theres a road to Ireland, Its paved with beer and gold my friend
Its where the whiskey comes down like rain, Oh how I long for Ireland
It where the men, Drink beer like men
Hey!Hey!
And theres a road to Ireland, Its paved with beer and gold my friend
Its where the whiskey falls down like rain, Oh how I long for Ireland
It where the men, Drink beer like men
Hey!
