

# Fools Rush In

Louis Armstrong

Hear the song of a fool  
How the fool broke a rule  
Is he really a fool? Yes, fools rush in where angels fear to tread  
And so I come to you, my love, my heart above my head  
Though I see the danger there  
If there's a chance for me, then I don't care Fools rush in where wise men never go  
But wise men never fall in love, so how are they to know?  
Yes, when we met, I felt my life begin  
So open up your heart and let this fool rush in Yes, fools rush in where angels fear to tread  
And so I come to you, my love, my heart above my head
