

# If I'm In Luck I Might Get Picked Up

Betty Davis

I said if I'm in luck I just might get picked up  
I said I'm fishin' trick and you can call it what you want then  
I said I'm wigglin' my fanny (ha ha oh man get down)  
I want you dancing I'm a doin' it doin' it (get down)  
This is my night out

So all you lady haters don't be cruel to me  
Don't you crush my velvet don't you ruffle my feathers neither  
I said I'm crazy I'm wild  
I said I'm nasty  
Say you will for a little while  
Say you will  
Say you will

I said if I'm in luck I just might get picked up  
I said I'm vampin' trampin' you can call it what you wanna  
I said I'm wigglin' my fanny (oooooh)  
I want you dancing I'm a movin' it movin' it (man I'm a take her home man)  
Try not to pass out

Say you will  
Say you will  
Oh if I'm walking like I should maybe you might pick me up  
If I'm lookin real good maybe you might pick me up  
Or if I know what to say maybe you might pick me up  
Ah if I met you tonight babe maybe you might pick me up \*  
Take me home  
Take me home  
Will you take me home  
Baby please  
Take me home  
Take me home with you  
Take me home

I said if I'm in luck maybe you might pick me up  
All I wanna do is just love you a lil bit  
So come on come  
Say you will  
Say you will  
Baby say you will

Take me home  
Take me home with you  
Take me home

All I wanna do is just love you a lil bit  
I said if I'm in luck maybe you might pick me up  
Come on take me home  
Take me home with you  
Take me home  
Take me home  
Take me home with you  
Take me home

I said if I'm in luck maybe you might pick me up  
Say you will  
Say you will  
If I'm in luck maybe you might pick me up  
Take me home  
Take me home with ya  
Ohh ohh oh oh if I'm in luck maybe you might pick me up  
Say you will say you will say you will baby  
Take me home take me home with ya take me home
