

# I'll Follow My Secret Heart

[Frank Sinatra](#)

I'll follow my secret heart my whole life through  
I'll keep all my dreams apart till one comes true  
No matter what price is paid, what stars may fade above  
I'll follow my secret heart till I find love I'll keep all my dreams apart till one comes true  
No matter what price is paid, what stars may fade above  
I'll follow my secret heart till I find love
