

Just Like Heaven

The Cure

"Show me, show me, show me how you do that trick
The one that makes me scream", she said
"The one that makes me laugh", she said
Threw her arms around my neck
"Show me how you do it? And I'll promise you
I'll promise that I'll run away with you, I'll run away with you"Spinning on that dizzy edge
Kissed her face and kissed her head
Dreamed of all the different ways, I had to make her glow
"Why are you so far away?", she said
"Why won't you ever know that I'm in love with you?
That I'm in love with you?"You, soft and only, you lost and lonely
You, strange as angels
Dancing in the deepest oceans
Twisting in the water
You're just like a dream
You're just like a dreamDaylight licked me into shape
I must have been asleep for days
And moving lips to breathe her name
I opened up my eyes
And found myself alone, alone, alone above a raging sea
Stole the only girl I loved, drowned her deep inside of meYou soft and only
You lost and lonely
You just like heaven
