

# Rainbow

## South Border

Fallin' out, fallin' in  
Nothing's sure in this world no, no  
Breakin' out, breakin' in  
Never knowin' what lies ahead  
We can really never tell it all no, no, no  
Say goodbye, say hello  
To a lover or friend  
Sometimes we never could understand  
Why some things begin then just end  
We can really never tell it all no, no, no  
But oh, can't you see  
That no matter what happens  
Life goes on and on  
So HONie, just/please smile  
Coz im always around you  
And ill make you see how beautiful  
Life is for you and me  
Take a little time HONie  
See the butterflies color's  
Listen to the birds that were sent  
To sing for me and you  
Can you feel me  
This is such a wonderful place to be  
Even if there is pain now  
Everything would be all right  
For as long as the world still turns  
There will be night and day  
Can you hear me  
There's a rainbow always after the rain  
Ohh, whoa  
Hittin' high, hittin' low  
Win or lose you should go, yeah yeah  
Getting warm, getting cold  
Weather could be so good or bad  
But HONie this is life now don't get mad no, no, no  
Coz oh, cant you see  
  
That no matter what happens  
Life goes on and on

So HONie, please smile  
Coz im always around you  
And ill make you see how beautiful  
Life is for you and me  
Take a little time HONie  
See the butterflies' colors  
Listen to the birds that were sent  
To sing for me and you  
Can you feel me  
This is such a wonderful place to be  
Even if there is pain now  
Everything would be all right  
For as long as the world still turns  
There will be night and day  
Can you hear me  
There's a rainbow always after the rain  
Life's full of challenges  
Not all the time we get what we want  
But don't despair my dear coz I know now  
You'll take each trial and you'll make it through the storm  
Coz you're strong my faith in you is clear  
So ill say once again this worlds wonderful and  
Let us celebrate life that's so beautiful, so beautiful  
Ohhhh  
Take a little time HONie  
See the butterflies' colors  
Listen to the birds that were sent  
To sing for me and you  
Can you feel me  
This is such a wonderful place to be  
Even if there is pain now  
Everything would be all right  
For as long as the world still turns  
There will be night and day  
Can you hear me  
There's a rainbow always after the rain
