

Anything You Ask For

The Game

Huh, niggaz think they got the game sewed, yeah right
I'm air tight, fresh in them Air Nikes
If the Navy outside, I might be there
Black hoodie, black 9, black wifey airs
Rock guns like Caddy trunks, keep a spare You see the lump under the Iceberg fleece and gear
And when the beef cook, I'ma put the piece to your head
And if you see a white truck that mean yo' sheets is dead
Then I'm goin' goin', back back To the block to dump the bucket and jump in the drop
Niggaz know I'm good with the glock, they call me Chick Hearn
'Cause if the game on knot, I'm callin the shots
I'll wear a shiny suit for a minute like I'm The LOX Then get gangster with a swap meet bag and a Jordan box
And when I die, bury me with the glock and a bucket of shells
In case niggaz want drama in hell Yeah, so when Compton niggaz and Fillmoe niggaz get together
Shit happens mayne, real talk from ya nigga Fig'
Doin' it big and don't wanna split yo' wig I'll give you anything you ask fo', money over bitches
Tell me what'chu blast fo', fuck around with snitches
What you had to smash fo', niggaz tried to play me man
Anything you ask fo', all about this Bay game
Anything you ask fo', representin' Bay game I'll give you anything you ask fo', money over bitches
Tell me what'chu blast fo', fuck around with snitches
What you had to smash fo', niggaz tried to play me man
Anything you ask fo', all about this Bay game
Anything you ask fo', representin' Bay game I be the boy with the most cabbage, pluck strings like I'm Lenny
Kravitz
I'm in the streets where they goin' savage
One, two, we dance on the rooftop
Let the Coupe ghost ride then we come to two stops Figga eight'n by the corner sto'
Niggarali from killer Cali you gotta let 'em know
Yeahh, ya hit me on my Sidekick
Inventory pilin' up, niggaz tryin' to buy shit They got me diggin in my files
Pro Tools, ADAT tapes and big sounds
Jumpin' on a plane, jumpin' out a taxi cab
Stackin' up this fettucini now these niggaz hella mad Fuck that nigga, he got another album on the board?
Damn right, another album on the board
Fuck the bullshit, the Figgarali don't play
I represent the whole Bay every motherfuckin' day I'll give you anything you ask fo', money over bitches
Tell me what'chu blast fo', fuck around with snitches
What you had to smash fo', niggaz tried to play me man
Anything you ask fo', all about this Bay game

Anything you ask fo', representin' Bay game
Count rubber band grands
I'm out big on the under, with my fam bam
And I, hover the lands
To expand, I'm from the gutter grime and the sand
No jams the flam's all busted
The dames want the bucks when, they see you stuffed in
Your pockets, 'til they get them some
But testin' my pocket, only gets you none 'Cause I, got a pimp mentality
The scrubs wanna eat shrimp and get my salary
They ain't knowin' I'm tight laced in my shoestrings
Hate the way I'm flowin' on the mic 'cause I do gleam
All types of baguettes and bezels
We shine like life's {unverified} rebels
2005, me and my crew just pile the pots
Move like the ice loose, pimp these thangs to watch
