Black Night

Bonfire

What you make out of yourself
That is just your business
A conscience tailor, made for life
To fit any occasionIf you could read my mind
You'd wanna close your eyes
Why - I have lo be like that
Can't get backBlack night - mother of sin
I'm a mad man buried alive
Black night - nightmare begins
Holy truth can cut like a knife
Revenge is sweet and natural
A real man's gotta face it
Equal rights to everyone
But right to he, who's strongerI'm only flesh and blood
My soul is drowning in the Flood
Look at the stale I'm in
It's deadly sinBlack night - mother of sin
I'm a mad man buried alive
Black night - nightmare begins
Holy truth can cut like a knife
Black night - mother of sin
I'm a mad man buried alive
Black night - Nightmare begins
Holy truth can cut like a knife
