

# Say a Prayer

Donald Lawrence

Lord, I come to You  
I ask You to grant my request  
The prayer I pray today  
Is different then the rest The enemy is threatened  
By the gift You've placed in me  
Hear my earnest prayer  
Cover me Jesus say a prayer for me, You know what I need  
Go before the father and intercede for me  
The enemy desires to sift me as wheat  
But like You did for Peter, say a prayer for me For those that You've called  
You fully equiped  
To fight the wind and the waves  
To captain the ship So I don't mind the storm  
I'm willing to sail  
God cover me that my faith  
Won't fail Jesus say a prayer for me, You know what I need  
Go before the father and intercede for me  
The enemy desires to sift me as wheat  
But like you did for Peter, say a prayer for me Whow, whow, whow, whow  
Whow, whow, whow, whow  
Whow, whow, whow, whow  
Holy spirit, pray for me Whow, whow, whow, whow  
Whow, whow, whow, whow  
Whow, whow, whow, whow  
Holy spirit, pray for me Whow, whow, whow, whow  
(Holy spirit)  
Whow, whow, whow, whow  
(Spirit)  
Whow, whow, whow, whow  
Holy spirit, pray for me  
(Yeah yeah) Whow, whow, whow, whow  
(Holy spirit)  
Whow, whow, whow, whow  
(Spirit)  
Whow, whow, whow, whow  
Holy spirit, pray for me  
(Me yeah) Like you did for Peter, say a prayer for me  
(Like you did for)  
(Cause I'm coming to you and I want you to cover me)

Like you did for Peter, say a prayer for me  
(Oh no)  
(That my faith won't fail) Like you did for Peter, say a prayer for me  
Ohh, say a prayer for me
