

Childlike

Action Strasse

It seems you make me feel quite childlike
You bring out something that seemed long gone
'Cause every time that you're around
 I forget to come back down
 It's like I've never seen this before
 It's like a wave that's rushing to shore
 And every time that you're around
 I forget to come back down
 I can't speak, stars at my feet
 This feeling's taking me over
 Open sky, you and I
 This feeling's taken me
 Could you be something I imagined
 My definition of perfection
'Cause every time that you're around
 I forget to come back down
 I can't speak, stars at my feet
 This feeling's taking me over
 Open sky, you and I
 This feeling's taken me
 I can't speak, stars at my feet
 This feeling's taking me over
 Open sky, you and I
 This feeling's taken me
 Every time that you're around
 I forget to come back down
 Every time that you're around
 I forget to come back down
 This feeling
 I can't speak, stars at my feet
 This feeling's taking me over
 Open sky, you and I
 This feeling's taken me
 This feeling's taking me
 This feeling's
 You make me feel
 Childlike
