

All Rise

Babbie Mason

There was a holy hush all over
As I walked into the room
And as I stood to see Him face to face
I was gloriously made new
There was a great and awesome presence
And a light bright as any day
And as I bowed to kneel with the angels
I hear the Spirit say (oh, heard it say)

Chorus:

All rise (all rise), all rise (all rise)
To stand before the throne
In the presence of the Holy One
All rise (all rise), all rise (all rise)
As we worship the Messiah
All rise

Then I looked at those all around me
With their hands uplifted high
And the Spirit laid His hands on me
And I uplifted mine (alleluia)
And He was singing alleluias
And praises to His name (praise Your Holy name)
And as I bowed to kneel with the angels
I heard the Spirit say (heard it say)

Repeat Chorus

Singing holy, holy, holy (holy, holy)
Worthy is the Lamb (worthy)
Who was, and is, and is to come (who was)
He is the great I AM (the great I AM)
(Let the church arise and stand, Let the church arise and stand)

Repeat Chorus (with echoes)

All rise
All rise
