

# Degradation

## Depraved Plague

Nasty little piece of shit  
fucking up all that  
Nasty little piece of shit  
fucking up all that you

Desire. For. Degradation.

Wanking over little girls  
Coming on the floor  
Feeding drugs into the dog  
Laughing, you want more.  
Shit. Cunt. Fuck. Er.  
Can't. You. Stop. That.  
Can't. You see. What's Wrong. With Me.  
Can't. You see. What's wrong. With me.

Filling yourself with a lot of hard drugs  
Shitting all over the walls  
Losing Control. Feeling it fail.  
Vomit overflowing the bowl
