Life is Suffering

Deerhoof

If there's dancing all night long
Singing songs
If there's dancing all night longNote my screams of joy
Higher and higher and higher
Note my screams of joy
Higher and higher and higherLife is suffering man
Life is suffering man
Higher and higher and higherLearning, searching in the night
What is right?
Learning, searching in the nightI have risen and I cannot get downNote my screams of joy
Higher and higher and higher
Note my screams of joy
Higher and higher and higherLife is suffering man
Life is suffering man
Higher and higher and higher
