

Love Hangover

Tina Arena

If there's a cure for this.. [repeat]I don't want it
If there's a cure for this..
I don't need it
If there's a cure for this..
I don't want it
If there's a cure for this..
I don't need it.Cos you left me with the.. sweetest hangover..
You left me with the.. sweetest hangover..
I sure have the.. sweetest hangover..
I woke up with the.. sweetest hangover..
Please don't ever go
No, don't ever goIf there's a cure for this.. [repeat]I don't want it
If there's a cure for this..
I don't need it
Cos you left me with the .. sweetest hangover..
You left me with the.. sweetest hangover..
I sure have the.. sweetest hangover..
I woke up with the.. sweetest hangover..
Hmmm, please don't ever go.
No, don't ever goI sure have.. sweetest hangover [repeat]If there's a cure for this..sweetest hangover [repeat]I
found you existIf there's a cure for this.. [repeat]
I don't want it.
