So Long

Face to Face

Does your conscience still say anything to you?
You have fallen down so far from what you knew
Its been so long that I can't believe I still remember
Exactly how I used to be
Its not enough
Of what you want
I've given up
Its come and gone
Its not enough
Its not enough
Its not enough
You've been running from your shadow in the hall
You've been hanging up your failure on the wall
Its been so long that I can't believe I still remember
Exactly how you used to be
Its not enough
Of what you want
You've given up
Its come and gone
Not enough
Its not enough
Its not enough
Its not enough
