I've Got You Under My Skin

Carly Simon

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart, you're really a part of me
I've got you under my skinI'd tried so not to give in
I said to myself this affair never will go so well
But why should I try to resist when, baby, I know so well
That I've got you under my skin?I'd sacrifice anything come what might
For the sake of havin' you near
In spite of a warnin' voice that comes in the night
And repeats and repeats in my earDon't you know, little fool, you never can win?
Use your mentality, wake up to reality
But each time that I do just the thought of you
Makes me stop before I begin
'Cause I've got you under my skinI'd sacrifice anything come what might
For the sake of havin' you near
In spite of the warning voice that comes in the night
And repeats, how it yells in my earDon't you know, little fool, you never can win?
Why not use your mentality, wake up to reality?
But each time that I do just the thought of you
Makes me stop just before I begin
'Cause I've got you under my skin'Cause I've got you under my skin
Yeah, I've got you under my skin
Sure enough I do, baby
Sure enough I do
