

Thank You (feat. R. City)

Meghan Trainor

When no one was there, you was there for me
When nobody cared, you still cared for me
If everyone leave you, be here with me
I hope that you're hearing me You keep me humble, keep me focused everyday
You know how to put a smile on my face
When I think about you, all my worries fade
You say you'll love 'til forever and that'll never change (Oh oh) I hear your words
(Oh oh) they don't go unnoticed
(Oh oh) I feel your love You know without you I got nothing, I got nothing
Without you I got nothing, I got nothing
But if I are loyal, you know I adore you
Without you I got nothing, I got nothing So I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you
Oh, oh, hey No one knows how to love me like you do, like you do
I could bring your dream to life, oh, all (all because of you)
You help me when I'm feeling low (feeling low)
You let me know I'm not alone (not alone)
You say you'll love me 'til forever, so I'mma love you, too (love you too) (Oh oh) I hear your words
(Oh oh) they don't go unnoticed
(Oh oh) I feel your love You know without you I got nothing, I got nothing
Without you I got nothing, I got nothing
But if I are loyal, you know I adore you
Without you I got nothing, I got nothing So I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you Me haffa [?] the times you stick around now
All the times you had me back and held me down low
Pick me up from off the floor and I'm a grown man
Keep it much when I'm 100, you 1,000
The more that me love, ah, you're more nah me friend
Ah you number one and we just can't pretend
Tell 'em I ready, but here me again
You me friend (Oh oh) I hear your words
(Oh oh) they don't go unnoticed
(Oh oh) I feel your love You know without you I got nothing, I got nothing
Without you I got nothing, I got nothing
But if I are loyal, you know I adore you
Without you I got nothing, I got nothing So I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you

I wanna, I wanna, I wanna thank you I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you
I wanna, I wanna, I wanna thank you, oh oh oh oh
