

# Moses

## Soulfly

What is wrong with humans from beginning of creation  
Brutal them a never gonna change no I  
Father give them life that them turn to sufferation  
Politics them worship in them rageThey will never make to rule my life  
No matter what takes I'm breaking their breaks  
With jah love humanity survive  
No matter what takes I'm breaking their breaksMoses, Moses where are u?  
Please, show up tell the children what to do, oh I  
Moses, Moses where are u?  
Please, show up tell the children what to do, oh IFather of creation  
Give me inspiration  
Father of creation  
Give me inspirationIs Armageddon timeWhat is wrong with humans from beginning of creation  
Brutal them a never gonna change, no I  
Father give them life that them turn to sufferation  
Politics them worship in them rageThey will never make to rule my life  
No matter what takes I'm breaking their breaks  
With God love humanity survive  
No matter what takes I'm breaking their breaksMoses, Moses where are u?  
Please, show up, tell the children what to do  
Moses, Moses where are u?  
Please, show up, tell the children what to doFather of creation  
Give me inspiration  
Father of creation  
Through the sufferationIn this world that seems so lost  
Are we warriors, are we not?  
So many battles I have fought  
So many more, I'm a soldier of GodMen against men I don't understand  
Hate breeds hate in this rat race  
We against you, watching you fall  
Follow me know, blood of my bloodIn this world that seems so lost  
Are we warriors, are we not?  
So many battles I have fought  
So many more, I'm a soldier of GodTribal war  
Jungle law  
Follow me now  
Blood of my bloodMoses, Moses where are u?  
Please, show up, tell the children what to do  
Moses, Moses where are u?

Please, show up, tell the children what to do
