

Hearts Burst Into Fire (Album Version)

Bullet for My Valentine

I'm coming home
I've been gone for far too long
Do you remember me at all?
I'm leaving
Have I fucked things up again
I'm dreaming
Too much time without you spent It hurts, wounds so sore
Now I'm torn, now I'm torn
I've been far away
When I see your face my
Hearts burst into fire
Hearts burst into fire You're not alone
I know I'm far from home
Do you remember me at all?
I'm leaving
Do you wait for me again?
I'm screaming
No more days without you spent It hurts, wounds so sore
Now I'm torn, now I'm torn
I've been far away
When I see your face my
Hearts burst into fire
Hearts burst into fire My bed, so cold, so lonely
No arms just sheets to hold me
Has this world stopped turning
Are we forever to be apart?
Forever to be apart It hurts, wounds so sore
Now I'm torn, now I'm torn
I've been far away
When I see your face my
Hearts burst into fire
Hearts burst into fire I'm coming home, I've been gone for too long
I'm coming home, do you remember me at all?
Do you remember me at all?
I'm leaving, I'm screaming, I'm dreaming
When hearts burst into fire!
