I Love It (Solidisco Remix)

Icona Pop

I got this feeling on the summer day when you were gone
I crashed my car into the bridge, I watched, I let it burn
I threw your shit into a bag and pushed it down the stairs
I crashed my car into the bridgeI don't care, I love it, I don't careI got this feeling on the summer day when you were gone
I crashed my car into the bridge, I watched, I let it burn
I threw your shit into a bag and pushed it down the stairs
I crashed my car into the bridgeI don't care, I love it, I don't careYou're on a different road, I'm in the milky way
You want me down on earth, but I am up in space
You're so damn hard to please, we gotta kill this switch
You're from the 70's, but I'm a 90's bitchI love it, I love itI got this feeling on the summer day when you were gone
I crashed my car into the bridge, I watched, I let it burn
I threw your shit into a bag and pushed it down the stairs
I crashed my car into the bridgeI don't care, I love it
I don't care, I love it, I love it
I don't care, I love it, I don't careYou're on a different road, I'm in the milky way
You want me down on earth, but I am up in space
You're so damn hard to please, we gotta kill this switch
You're from the 70's, but I'm a 90's bitchI don't care, I love it
I don't care, I love it, I love it
I don't care, I love it
I don't care, I love it, I love it
I don't care, I love it
