

Try a Little Kindness

Wanda Jackson

If you see your brother standing by the road
With a heavy load from the seeds he sowed
If you see your sister falling by the way just stop and say you're going the wrong way
You've got to try a little kindness just show a little kindness
Shine your light for everyone to see
And if you try a little kindness you'll overlook the blindness
Of the narrow minded people on the narrow minded streets
Don't walk around the down and out lend a helping hand instead of doubt
And the kindness that you show every day will help someone along their way
You've got to try a little kindness...
You've got to try a little kindness...
