

# Stop the Music

Sammy Adams

(Hook)

I'm not gonna let go of you girl

Til you say stop

You say stop

You say stop

You say stop

And I'm just gonna keep on dancing

Till someone stop the music

Stop the music

Stop the music

Stop the music

Stop(Verse)

Any other day I would shake this off

But I'm in over my head

So I keep swimming to the light til I'm alright

And I'm just tryna get to the dance floor

Cuz I know if I can make it I can drown all of my problems for the night

So I'mma keep moving

And trickin while you watch me

Actin like you don't want it

But can't take your eyes off me(Pre-Hook)

And I'mma be here til the storm stops

The club closed so I suggest we take this to my place

All yours after this part if that's alright(Hook)

I'm not gonna let go of you girl

Til you say stop

You say stop

You say stop

You say stop

And I'm just gonna keep on dancing

Just let me stop the music

Stop the music

Stop the music

Stop the music

Stop(Verse)

Any other girl I would break this off

But there's something I can't let go

And she has it, that's why I keep holding on

I'm just tryna get out and there's more

'Cause I know if I can get there  
I can see her and forget what's going on  
So I'mma keep drinking  
And acting like I don't see  
You over sit around, give me a chance  
But baby watch yourself closely(Pre-Hook)  
And I'mma be here til the storm stops  
The club closed so I suggest we take this to my place  
All yours after this part if that's alright(Hook)  
I'm not gonna let go of you girl  
Til you say stop  
You say stop  
You say stop  
You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop(Bridge)  
Imagine the stairs an elevator air  
When I celebrate this double 0 7 out of here  
So I slowly disappear to the hotel lobby  
With the cutie concierge, pass another group of hotties oh  
Any other day I shake this off  
Think nothing but I back up all my things, take off  
Cuz all the other things in the world get lost  
When you dealing with a feeling, hear the kick drum round yea(Hook x2)  
I'm not gonna let go of you girl  
Til you say stop  
You say stop  
You say stop  
You say stop  
And I'm just gonna keep on dancing  
Just let me stop the music  
Stop the music  
Stop the music  
Stop the music  
Stop
