

# So Young

## Splashh

Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
    We are taking it easy  
    Bright and breezy, yeah  
    We are living it up  
    Just fine and dandy, yeah  
And it really doesn't matter that we don't eat  
And it really doesn't matter if we never sleep  
    No it really doesn't matter  
    Really doesn't matter at all  
    'Coz we are so young now  
We are so young, so young now  
    And when tommorow comes  
        We can do it all again  
        We are chasin' the moon  
        Just running wild and free  
        We are following through  
        Every dream and every need  
And it really doesn't matter if we don't eat  
And it really doesn't matter if we never sleep  
    No it really doesn't matter  
    Really doesn't matter at all  
    'Coz we are so young now  
We are so young, so young now  
    And when tommorow comes  
        We can do it all again  
        Yeah, we are so young now  
We are so young, so young now  
    And when tommorow comes  
        We'll just do it all again  
        All again, all again, yeah  
        All again, all again  
        Yeah, yeah, yeah  
        So young now  
We are so, so young now  
And when tommorow comes  
    We'll just do it all again  
    Yeah, we are so young now  
We are so young, so young now

And when tommorow comes  
We'll just do it all again  
We are so young  
Yeah yeah yeah yeahie yeah  
We are so young  
Yeah yeah yeah yeahie yeah  
We are so young  
Yeah yeah yeah yeahie yeah  
We are so young  
Yeah yeah yeah yeahie yeah
