Foals

Sun's up
We wait all day
Sun's up
We wait all day, all dayThe hell outside's kept away
If only we could move away
From hereThis is how we build a place
An aviary for today
An aviary for todayLet's disappear till tomorrow
Let's disappear till tomorrow
Disappear, disappear, disappearBlow up these play parades, let's go
To an aviary far from home
To an aviary far from homeA one hand clap is me and you
And you, and you, and you
While the hell outside's kept away
If only we moved away
Disappear, disappear, disappearLast vacation was the same
We got moved away
Last vacation was the same
We got moved away
Last vacation was the same
We got moved awaySun down now we have built our place
An aviary forever
An aviary forever
Forever, forever
Reappear, reappear, reappear, reappear
