Foals

Sun's up We wait all day Sun's up

We wait all day, all dayThe hell outside's kept away
If only we could move away
From hereThis is how we build a place
An aviary for today

An aviary for todayLet's disappear till tomorrow

Let's disappear till tomorrow

Disappear, disappearBlow up these play parades, let's go

To an aviary far from home

To an aviary far from homeA one hand clap is me and you

And you, and you, and you

While the hell outside's kept away

If only we moved away

Disappear, disappearLast vacation was the same

We got moved away

Last vacation was the same

We got moved away

Last vacation was the same

We got moved awaySun down now we have built our place

An aviary forever An aviary forever

Forever, forever

Reappear, reappear, reappear
