

# Bonfire Heart (Dave Rose Radio Edit)

James Blunt

Your mouth is a revolver firing bullets in the sky  
Your love is like a soldier, loyal till you die  
And I've been looking at the stars for a long, long time  
I've been putting out fires all my life  
Everybody wants a flame, but they don't want to get burnt  
And today is our turn Days like these lead to  
Nights like this leads to  
Love like ours  
You light the spark in my bonfire heart  
People like us we don't  
need that much just someone that starts  
starts the spark in our bonfire hearts This world is getting colder, strangers passing by  
No one offers you a shoulder, no one looks you in the eye  
But I've been looking at you for a long, long time  
Just trying to break through, trying to make you mine  
Everybody wants a flame, they don't want to get burnt  
Well today is our turn Days like these lead to  
Nights like this leads to  
Love like ours  
You light the spark in my bonfire heart  
People like us we don't  
Need that much just someone that starts  
Starts the spark in our bonfire hearts  
Our bonfire hearts  
Our bonfire hearts  
Our bonfire hearts  
You like the spark People like us we don't  
Need that much just someone that starts  
Starts the spark in our bonfire hearts Days like these lead to  
Nights like this leads to  
Love like ours  
You light the spark in my bonfire heart  
People like us we don't  
Need that much just someone that starts  
Starts the spark in our bonfire heart  
Our bonfire hearts Days like these lead to  
Nights like this leads to  
Love like ours  
You light the spark in my bonfire heart

People like us we don't  
Need that much just someone that starts  
Starts the spark in our bonfire heart
