

# Don't Wanna Be Wrong

Allison Iraheta

I've made this mistake before,  
Yeah I know it all too well,  
Sitting by the window pane,  
Just another rainy day.  
You, you think I seem so sure,  
But I can tell that you don't know,  
I keep going back and forth so much,  
It's hard to let you go.  
Yeah, I know I wanted you to leave,  
You used to be so right for me,  
And I don't wanna be wrong, baby,  
Yeah, and now it's getting hard to breathe,  
Suffocating memories got me up against the wall  
And I don't wanna be wrong, baby.  
You and the flowers at my door,  
Yeah I know this one too well,  
But it's no knowing what all that means,  
Yeah, it's got my head spinning.  
Oh, the hell you've put me through,  
It's so typical of you,  
So now it's more than I can deal,  
So I've stopped the pain I feel.

Yeah, I know I wanted you to leave,  
You used to be so right for me,  
And I don't wanna be wrong, baby,  
Yeah, and now it's getting hard to breathe,  
Suffocating memories got me up against the wall  
And I don't wanna be wrong, baby.  
I wanted you to be everything to me,  
And I don't wanna be the blame for cutting you out,  
I'm cutting you out forever, now.  
I've made this mistake before.  
Yeah, I know I wanted you to leave,  
You used to be so right for me,  
And I don't wanna be wrong, baby,  
Yeah, and now it's getting hard to breathe,  
Suffocating memories got me up against the wall, baby.  
Yeah, I know I wanted you to leave,

You used to be so right for me,  
And I don't wanna be wrong, baby,  
Yeah, and now it's getting hard to breathe,  
Suffocating memories got me up against the wall  
And I don't wanna be wrong.
