Past the Point

Hilary Weeks

Lock me up
That's what you'll have to do
If you're gonna stop me
From getting where I'm going to
Try to keep
The sun from coming up
And the tide from rolling in
Now I know what I'm capable of
Every time I wanted to stop, I kept running
Every time I hit a wall, I climbed
I've broken the bands of my limitations
Gonna go until I've gone
Past the point
Beyond the mark
Further than I ever thought I would
Out of the dark
Into the light
Just like He always knew I would
And when Heaven tells me I can
I believe it
No storm
Not a wave of fear or doubt
No chains of disappointment
Could ever hold me back now
'Cause every time I want to stop, I'll keep running
Every time I hit a wall, I'll climb
I'm breaking the bands of my limitations
Gonna go until I've gone
Chorus
There it is
Right in front of me
Just a few more steps
Just a few more breaths
And I'll get
Chorus
