

# Call Me Dr. Love (A New Dimension)

## Blue System

The king of pirates, the queen of soul  
They dance together on rock 'n' roll  
Oh, once a lifetime and twice a day  
[Incomprehensible] playing in west L.A.Flames, hold the candle  
It's too hard to handle  
Wake up, don't dream babe  
Wake up, wake upTonight call me Dr. Love  
Love me in a new dimension  
Love me babeTonight we are strong enough  
Baby, it's a sweet sensation  
Come and love me nowCall me now  
Baby now  
Call me now  
Oh now, baby nowHigh heel sneaker, the ballroom blitz  
Computer games mixing all the hits  
Mozart lives on the second floor  
He drives a Lincoln behind closed doorsFlames hold the candle  
It's too hard to handle  
Wake up, don't dream babe  
Wake up, wake upTonight call me Dr. Love  
Love me in a new dimension  
Love me babeTonight we are strong enough  
Baby, it's a sweet sensation  
Come and love me nowCall me now  
Baby now  
Call me now  
Oh now, baby nowTonight call me Dr. Love  
Love me in a new dimension  
Love me babeTonight we are strong enough  
Baby, it's a sweet sensation  
Come and love me nowCall me now  
Baby now  
Call me now  
Oh now, baby nowNow, baby now  
Oh now, oh now  
Oh now, oh now, oh now
