

Tape Loop

Deceptikon

Tape loop, keeps on turning round, forever

Patience, love is coming 'round for your pleasureWait now, no use trying to push, there's no need

People, go against the grain, with their greedI've been here before, it ain't gonna work no more

I've been here before, it ain't gonna work no moreFocus, your mind will be strong, no distractions

Soak up wisdom all year long, and then take actionI've been here before, it ain't gonna work no more

I've been here before, it ain't gonna work no moreI've been here before, it ain't gonna work no more

I've been here before, it ain't gonna work no moreI've been here before, it ain't gonna work no more

I've been here before, it ain't gonna work no more
