El Sol

MartÃ-n Buscaglia

Empty-armed and half a soul to go
And all I wanted was you here next to me
A little sunshine and sympathy
Now everybody knows
That I've been hanging down so low
'Cause now I'm feeling up
Soon I'll be feeling out so cold
Wondering, will you call
And now I'm feeling high
Soon I'll be feeling left for dead
Sometimes someone saying yes
Changes what you'll bet
And all I wanted
Was just to hold you close
A little sunshine
Just to butter my toast
And your love next to mine
I had to let you know
That we were meant to be just right
Heaven sent, not sympathized
By everybody's lie
And now I'm feeling high
Now I'm feeling left so dead
Kicking up the dust in bed
Wondering, I guess
Sunshine
Sunshine
Sunshine
And some tea
And your love
Your love
Your love next to mine
I had to let you know
I had to let you go, so I
Could see my lie fade from your eyes
And to my surprise
That's what I wanted
It's all I wanted
It's what I wanted

Me and you
Sunshine
Sunshine
Sunshine
And some tea
That's all I wanted
It's all I wanted
That's all I wanted
It's all I wanted
