

# El Sol

## MartÃ-n Buscaglia

Empty-armed and half a soul to go  
And all I wanted was you here next to me  
A little sunshine and sympathy  
Now everybody knows  
That I've been hanging down so low  
'Cause now I'm feeling up  
Soon I'll be feeling out so cold  
Wondering, will you call  
And now I'm feeling high  
Soon I'll be feeling left for dead  
Sometimes someone saying yes  
Changes what you'll bet  
And all I wanted  
Was just to hold you close  
A little sunshine  
Just to butter my toast  
And your love next to mine  
I had to let you know  
That we were meant to be just right  
Heaven sent, not sympathized  
By everybody's lie  
And now I'm feeling high  
Now I'm feeling left so dead  
Kicking up the dust in bed  
Wondering, I guess  
Sunshine  
Sunshine  
Sunshine  
And some tea  
And your love  
Your love  
Your love next to mine  
I had to let you know  
I had to let you go, so I  
Could see my lie fade from your eyes  
And to my surprise  
That's what I wanted  
It's all I wanted  
It's what I wanted

Me and you  
Sunshine  
Sunshine  
Sunshine  
And some tea  
That's all I wanted  
It's all I wanted  
That's all I wanted  
It's all I wanted
