

# The Monkey

## Dave Bartholomew

I said, yeah monkeyNow three little monkeys sat on a coconut tree  
Discussing things as they are said to be  
Said one to the other, now listen you two

There is a certain rumor that can't be trueThat man descended from our noble race  
The funny idea is a big disgrace  
No monkey ever deserted his wife

Nor her baby and ruin her lifeI said, yeah, monkey speaks his mindAnd another thing you will never see  
A monkey build a fence around a coconut tree  
And let all the coconuts go to waste  
Forbidding all other monkeys to come and taste  
Now if I build a fence around this tree

Starvation will cause you to steal from meI said, yeah, the monkey speaks his mindHere is another thing a  
monkey won't do  
Go out at night and get on a stew  
Or use a gun a club or a knife

To take another monkey's lifeYes, man descended the worthless bum  
But my God brothers, from us he did not comeYeah, the monkey speaks his mind
