

# I Will Be

## Darren Styles & Breeze

There's nothing I could say to you  
Nothing I could ever do to make you see  
What you mean to me  
All the pain, the tears I cried  
Still you never said goodbye  
And now I know how far you'd go  
I know I let you down  
But it's not like that now  
This time I'll never let you go  
I will be all that you want  
And get myself together  
'Cause you keep me from falling apart  
All my life, I'll be with you forever  
To get you through the day  
And make everything okay  
I thought that I had everything  
I didn't know what life could bring  
But now I see, honestly  
You're the one thing I got right  
The only one I let inside  
Now I can breathe 'cause you're here with me  
And if I let you down  
I'll turn it all around  
'Cause I will never let you go  
I will be all that you want  
And get myself together  
'Cause you keep me from falling apart  
All my life, I'll be with you forever  
To get you through the day  
And make everything okay  
'Cause without you I can't sleep  
I'm not gonna ever ever let you leave  
You're all I've got, you're all I want  
Yeah and without you, I don't know what I'd do  
I could never ever live a day without you  
Here with me, do you see, you're all I need?  
And I will be all that you want  
And get myself together  
'Cause you keep me from falling apart

All my life  
(My life)  
I'll be with you forever  
(Forever)  
To get you through the day  
And make everything okay  
(Okay)  
I will be all that you want  
(I'll be)  
And get myself together  
(Get myself together)  
'Cause you keep me from falling apart  
And all my life, you know I'll be with you forever  
To get you through the day and make everything okay
