Wall In Your Heart

Shelby Lynne

I feel your pain
I feel the rain
What happened to you
I can't get to you'Cause there's a wall in your heart
That no one can get through
And it's cold and it's dark
And you don't have a clueBut this wall it will fall
If it's the last thing I do
I'll get through
This wall in your heartI know your soul
I know I'm home
Just come here to me
I'll let you run through me'Cause there's a wall in your heart
That no one can get through
And it's cold and it's dark
And you don't have a clueBut this wall it will fall
If it's the last thing I do
I'll get through
This wall in your heartWe'll break down all the troubles we have found
And I'll find a way to mend your broken pieces
Let's hold hands and be friends
Until the end and our love will be foreverBut there's a wall in your heart
That no one can get through
And it's cold and it's dark
And you don't have a clueThere's a wall in your heart
That no one can get through
And it's cold and it's dark
And you don't have a clueBut this wall it will fall
If it's the last thing I do
I'll get through
This wall in your heart
