

# Drive To The End

## Slick Shoes

Our families were there and everyone we knew  
Were waiting there just to see you  
I waited on the side  
I could not believe that we had made it this far Will you ever know how much, I love you?  
I don't think it's possible  
Will you ever know how much, you mean to me?  
I don't think you'll ever see I thought I would not sound but it wasn't me  
I thought I'd know just what to do  
When I fully saw your face  
I knew it was to be together forever with me, we will be Will you ever know how much, I love you?  
I don't think it's possible  
Will you ever know how much, you mean to me?  
I don't think you'll ever see
