

Surrender

Darren Espanto

Sometimes I don't care on what you're thinking
Snap into a different kind of person
You go over board and you start breakin'
This wall that I put down that I let you in You know just what to say to get to me
Now I don't want no negativity
Times like this I wish that I was free I don't want to lose control
Baby it's time to back down
You're permently abusive, no matter what I hear
Hear anymore, I'll just cry
Go away, to places I remember
Baby it gets better, that for now I will surrender
I've had it up to hear with your complaining
But nothing seem to go away
And you turn around and start yelling, like I'm the one to blame You know exactly what to say to me
Now I don't want no negativity
Times like this I wish that I was free I don't want to lose control
Baby it's time to back down
You're permently abusive, no matter what I hear
Hear anymore, I'll just cry
Go away, to places I remember
Baby it gets better, that for now I will surrender Now where this is going, before I say goodbye?
In bad time I remember
But now I just surrender
I don't want to lose control
Baby it's time to back down
You're permently abusive, no matter what I hear
Hear anymore, I'll just cry
Go away, to places I remember
Baby it gets better, that for now I will surrender
