

# Kick Off Yr Halo

Mishka Shubaly

When you blacked out twice  
and only woke back up once  
I went out for a drink  
I'll be back in six months.  
I don't want to cry  
I don't wanna weep.  
I wanna die  
But I'll settle for sleep.  
When every last word on my answering machine  
Confirms that it's not you that's gone  
it's me.  
I gotta get outta bed  
get over it  
Cause I'm still alive  
Or what passes for it.  
I wanna darken your doorway  
I wanna break up the party  
I wanna kick off your halo  
Tell you I'm sorry  
Destroy the nostalgia  
Ruin the legend  
Trash all the distance we've come  
just to see you again.  
When every success shows the world is weak  
And every failure proves that it's me  
I see you hangin' around  
And I can see it in your eyes  
I can't live your life.  
I can't live mine.  
I wanna darken your doorway  
I wanna break up the party  
I wanna kick off your halo  
Tell you I'm sorry  
Destroy the nostalgia  
Ruin the legend  
Trash all the distance we've come  
just to see you  
Destroy the nostalgia  
Ruin the legend

Trash all the distance we've come  
just to see you again.
